- The relationship between institution, organizations, culture, leadership, communication and situation, from a system theoretical perspective
- The importance of understanding and handling diversity

- Reflections of the student's own and the group's learning process

### **Undervisningsformer**

The teaching consists of lectures, seminars and exercises performed individually or in groups.

A digital learning platform is used.

Students who have been admitted to and registered on a course have the right to receive instruction/supervision for the duration of the time period specified for the particular course to which they were accepted. After that, the right to receive instruction/supervision expires.

Undervisningen bedrivs på engelska.

### **Förkunskapskrav**

General entry requirements and 45 credits in Media and Communication Science or equivalent. English proficiency is required. Exemption is granted from the requirement in Swedish.

### **Examination och betyg**

Kursen bedöms med betygen A, B, C, D, E, FX eller F.

The grades A, B, C, D and E are all passing grades. For courses with more than one examination, students are given a final grade based on an overall assessment of all examinations included in the course. The final grade of the course is issued only when all course units have been passed.

The examination is based on instruction, course literature and the students own performance in group and individually.

#### **Forms of examination:**

Individual written assignment (5 credits)

Group assignment (2.5 credits)

The examination must allow for students to be assessed on an individual basis. Students may not make a second attempt at any examination (or element of examination) already passed in order to receive a higher grade. Further information concerning assessment and grading criteria is provided in a study guide distributed at the beginning of the course.

Students are guaranteed a minimum of three examination occasions, including the regular occasion.

If a student has failed the same examination three times, the student is entitled to request that the next examination is assessed and graded by a new examiner if possible. The decision to accept or reject such a request is made by the vice dean of education.

In case the course is terminated or significantly altered, examination according to the present course syllabus shall be offered on at least two occasions in the course of one year after the

termination/alteration.

The student will need to get a high grade (A/B) on examination 2, to get a high grade (A/B) on the course.

Poängregistrering av examinationen för kursen sker enligt följande system:

Examinationsmoment	Omfattning	Betyg
Individual written assignment	5 hp	A/B/C/D/E/FX/F
Group assignment	2,5 hp	U/G

### Kursvärdering

At the end of the course, a course evaluation is performed and commented on by the course coordinator and, if possible, a student/students (course developer/s). The course evaluation, which is published on the relevant learning platform and submitted to the study administration, is to function as a basis for future improvements to the course.
