- problematise the strengths and weaknesses of project-based work in international contexts
- discuss the complexity of working with projects in an international context and in an international environment

Innehåll

- Tools for project management and project planning
- The international and national policy framework in relation to development work
- Leadership, team work and group processes
- Construction of project applications

Undervisningsformer

The teaching consists of lectures, seminars and exercises performed individually or in groups. A digital learning platform is used.

Students who have been admitted to and registered on a course have the right to receive

instruction/supervision for the duration of the time period specified for the particular course to which they were accepted. After that, the right to receive instruction/supervision expires.

Undervisningen bedrivs på engelska.

Förkunskapskrav

General entry requirements and English B (or the equivalent). Exemption is granted from the requirement in Swedish.

Examination och betyg

Kursen bedöms med betygen A, B, C, D, E, FX eller F.

The grades A, B, C, D and E are all passing grades. For courses with more than one examination, students are given a final grade based on an overall assessment of all examinations included in the course. The final grade of the course is issued only when all course units have been passed.

The examination is based on instruction and course literature. The exercise assignments (3,5hp) examines learning outcomes under 'skills and abilities' and a selection of goals under 'knowledge and understanding'. The individual assignments (4hp) examine learning outcomes under 'knowledge and understanding' and 'judgement and approach'.

The examination must allow for students to be assessed on an individual basis. Students may not make a second attempt at any examination (or element of examination) already passed in order to receive a higher grade. Further information concerning assessment and grading criteria is provided in a study guide distributed at the beginning of the course.

Students are guaranteed a minimum of three examination occasions, including the regular occasion. If a student has failed the same examination three times, the student is entitled to request that the next examination is assessed and graded by a new examiner if possible. The decision to accept or reject such a request is made by the vice dean of education. In case the course is terminated or significantly altered, examination according to the present course syllabus shall be offered on at least two occasions in the course of one year after the termination/alteration.

Poängregistrering av examinationen för kursen sker enligt följande system:

Examinationsmoment	Omfattning	Betyg
Exercise assignment and seminars ¹	3,5 hp	U/G
Written Individual Assignments and Seminars ²	4 hp	A/B/C/D/E/FX/F

¹ The examination is graded Pass (G) or Fail (U)

² Bestämmer kursens slutbetyg vilket utfärdas först när samtliga moment godkänns.

Kursvärdering

At the end of the course, a course evaluation is performed and commented on by the course coordinator and, if possible, a student/students (course developer/s). The course evaluation, which is published on the relevant learning platform and submitted to the study administration, is to function as a basis for future improvements to the course.

Övrigt

The course is part of the program on Global studies and focuses on questions related to development aid and national and international agreements and policies on global development. The work with projects is studied from a theoretical as well as practical point of view.
