Innehåll

- Social sciences sustainability research
- Central concepts, theories, and methods
- Research ethics
- Reflexivity

Undervisningsformer

The teaching consists of lectures, seminars and exercises performed individually and in groups.

A learning management system is used.

Students who have been admitted to and registered for a course have the right to receive instruction/supervision for the duration of the time period specified for the particular course instance to which they were accepted. After that, the right to receive instruction/supervision expires.

Undervisningen bedrivs på engelska.

Förkunskapskrav

A bachelor's degree (i.e., the equivalent of 180 ECTS credits at an accredited university) with at least 90 credits in media and communication or social sciences including independent work, i.e., a thesis or the equivalent. English proficiency is required.

Examination och betyg

Kursen bedöms med betygen Underkänd eller Godkänd.

The grades A, B, C, D and E are all passing grades. For courses with more than one element of examination, students are given a final grade based on an overall assessment of all the elements included in the course. The final grade of the course is issued only when all elements of examination have been passed.

The examination is based on the intended learning outcomes.

The course is examined through a written assignment (4 credits) and a seminar (1 credit).

The examination must allow for students to be assessed on an individual basis. Further information concerning assessment of specific intended learning outcomes and grading criteria is provided at the beginning of the course.

Students are guaranteed a minimum of three attempts to pass an examination, including the regular attempt.

If a student has failed the same examination three times, the student can request that the next attempt be graded by a new examiner. The decision to accept or reject such a request is made by the associate dean of education. A student may not make a second attempt at any examination already passed in order to receive a higher grade.

In case a course is terminated or significantly altered, examination according to the earlier syllabus shall be offered on at least two occasions in the course of one year after the termination/alteration.

Poängregistrering av examinationen för kursen sker enligt följande system:

Examinationsmoment	Omfattning	Betyg
--------------------	------------	-------

Skriftlig inlämningsuppgift i grupp	4 hp	U/G
Seminarium	1 hp	U/G

Kursvärdering

The instruction is followed up throughout the course. A course evaluation is conducted at the end of the course. A summary and comments are published in the learning management system. The evaluation constitutes a basis for future improvements to the course.
