---

### Intended Learning Outcomes (ILO)

On completion of the course, the student should

#### *Knowledge and understanding*

- Demonstrate an understanding of the difference between the experience of practical work and the theoretical knowledge acquired earlier in the program

#### *Skills and abilities*

- Demonstrate the ability to apply the knowledge acquired through their education in professional work
- Demonstrate the ability to describe, analyze and reflect on the results of their work experience and to present them orally and in writing to the client and at the university.

#### *Judgement and approach*

- Demonstrate the ability, based on experience with clients, to reflect on their need for knowledge and skills in professional practice
- Demonstrate insight into their future professional role and the responsibility for sustainability that comes with it

### Contents

Conditions for a professional approach in the exercise of their future profession.

Business-related content tailored to the client's professional activities, with students:

- joining and contributing knowledge to an ongoing project
- witnessing and participates in an ongoing product development process
- participating in professional practice relevant to the main subject area
- planning and delivering professional development for the client's staff

Written and oral reflection upon the experience of professional practice, and its documentation.

### Type of instruction

Introduction on campus and/or via the learning platform; hands-on professional practice in the workplace; final report, written and oral, on campus.

Students work individually.

The teaching is conducted in English.

### **Prerequisites**

At least 30 credits in the Master's programme should be approved (or the equivalent).

### **Examination and grades**

The course is graded Fail (U) or Pass (G).

Final grade U/G is given only when all assessments are passed.

Registration of examination:

<b>Name of the Test</b>	<b>Value</b>	<b>Grading</b>
Assignment	7 credits	U/G
Report and presentation	2 credits	U/G

### **Course literature**

#### *Literature*

Guiding documents will be available via Ping Pong.

Handouts.
